Amended Year End Report (11/27/12 - 12/31/2012)

In response to your notice regarding the continuous reporting of outstanding debts, we have reviewed our files and determined that there was a reporting error. In order to correct this, we are amending our post-general report to change the name of the vendor from Winding Brook County Club to First Niagara. The bill for the campaign event held at Winding Brook was paid by credit card (First Niagara) which caused the misreporting. In addition, we are filing an amended year end report to reflect the vendor name change as well as reflect the open balance as of December 31, 2012.
